ABOUT US FORCE DIGITAL

All transactions will be verifiable on the blockchain.

Force Digital is a decentralized cryptocurrency that aims to provide a fast, secure, and reliable way for individuals and businesses to store, transfer, and manage their wealth. Built on a cutting-edge blockchain platform, Force Digital utilizes a unique consensus algorithm to ensure fast and secure transactions. Force Digital is built on a decentralized blockchain platform that utilizes a proof-of-stake (POS) consensus algorithm. This means that users can earn rewards for participating in the network by staking tokens. This not only helps to secure the network but also provides an opportunity for users to earn passive income.

Force Digital features advanced security measures to protect against fraud and hacking. It uses cryptographic techniques such as hashing and digital signatures to ensure the integrity and security of transactions.

FORCE DIGITAL SMART CONTRACT

BUSD CRYPTOCURRENCY

BUSD is the basic unit of accounts on the BSC blockchain. BUSD is also a natural medium currency for all BEP-20 based tokens.
